

IBOB Idaho Battle of the Books Please

fill out the following information and turn it in by _____ to the library.

I, _____, would like to participate in IBOB.

IBOB is an optional reading program that students can participate in from grades 9-12. Because of the wide range of grades, the books cover a wide range of age interests and genres. Teams of up to 4 students (with one alternate) will read the books listed below. As a team, you can decide how to split up the books or if you want to read them all. Some of the books may not appeal to you because of the genre or content, so work with your team (and parents) to find the books right for you.

I understand:

I will be on a team with a total of 4 students (and 1 alternate if you choose). I can choose my own team or be placed on a team.

- ☐ My team will decide how to split up the 12 books and I will do my best to support my team. If a book genre or topic does not work for me, my team and I will discuss strategies.
- ☐ I understand that I will be battling against teams from grades 9-12.
- ☐ I will try to attend all team meetings and any library IBOB activities. I will be an active member of my team.
- ☐ I will be prompt about bringing back the book that was loaned to me.
- ☐ If my team qualifies, I will attend the district competition Spring 2027.
- ☐ I will treat my fellow team members and other IBOB participants with respect.
