West Junior High

High School:

Saturday, March 27th

Borah High School

We are still looking for more regional tournament hosts. If you are interested in hosting a regional tournament in your area, please reach out to us ASAP! We have lots of resources to share with you!

GREETINGS!

Hopefully by now everyone is settling into routines and getting everyone excited about IBOB this year! As a reminder, this year our registration/question ordering deadline is a little earlier in the season due to the addition of our state tournament.

You can register by purchasing question sets by:

NOVEMBER 1ST for **\$50**.

*Late registrations possible up until November 15th for \$75.

Question sets will then be sent out by December 1st to allow teams to begin battling sooner so that regional tournaments can take place in March in time for our statewide tournament in April. Please remember the question sets are not to be shared with students to study or with other schools/libraries.

Interested in helping out with IBOB? We have a variety of roles you can help with! We need help on the book selection committee, the question writing committee, state middle school director, and other regional directors.

Reach out to idahobattleofthebooks@gmail.com and we can help you find a spot to fill that will work with your schedule!

Sincerely,

The IBOB Team
